ACT ONE

INT. ALFEA COLLEGE - TEACHER'S LOUNGE - DAY

BLOOM looks out a window with FLORA, TECNA, AISHA, and MUSA.

BLOOM  
Look at all those new students.

FLORA  
Are we really ready for this?

BLOOM  
Oh Flora, after saving the Magic Dimension all these times, I think we can handle the Freshmen class.

MUSA  
You sure? We were a lot to handle.

BLOOM  
I'm sure everything will be fine. I mean, it's just the first day of school. What could happen?

INT. ALFEA COLLEGE - HALLWAY - DAY

A young blonde fairy, CLOLO, pulls on her LOCKER DOOR.

CLOLO  
Oh no! Please don't be jammed!

SNOWY, a platinum-haired fairy with light blue eye-liner, closes the LOCKER next to her's.

SNOWY  
Why don't you just use magic? You are a fairy, right?

SNOWY touches the locker with BLUE ENERGY that pops it open.

CLOLO  
Wow, thank you! That was so cool. Are you an advanced student?

SNOWY  
No, actually this is my first day.

CLOLO  
Me too! I'm Clolo.

SNOWY

Snowy.

CLOLO and SNOWY shake hands.

INT. ALFEA COLLEGE - CLASSROOM - DAY

New students VOICA, LINA, and BELLE sit behind CLOLO, laughing at her.

LINA

Look at all that hair.

VOICA

I bet she's *Solarian*.

CLOLO sinks into her seat, looks across the room to SNOWY, who is also alone. They share a moment. BLOOM enters.

BLOOM

Hello, Freshmen Fairies!

AISHA enters, followed by FLORA, MUSA, and TECNA.

AISHA

Welcome to Winxology 101! We're your professors. I'm Aisha, the Fairy of Waves.

FLORA

And I'm Flora, the Fairy of Nature.

MUSA

You can call me Musa. You know I'm the Fairy of Music!

TECNA

I'm Tecna, the Fairy of Technology.

BLOOM

And I'm Bloom, the fairy of the Dragon Flame! And together, we're-

BLOOM/AISHA/TECNA/FLORA/MUSA

The Winx!

FRESHMEN FAIRIES

<<CHEERING>>

VOICA

We know who you are, Winx!

BELLE

We love you!

FLORA

Wait a minute, where's Stella?

MUSA

She knows when class starts, right?

BLOOM

Yeah, we can't start without our  
fairy of the shining sun!

STELLA runs in with four stuffed SHOPPING BAGS.

STELLA

Sorry I'm late, there was a sale!

BLOOM

Oh, Stella. You've been using that  
excuse since we were students here.

STELLA

Hey, just because I'm a teacher now  
doesn't mean I'll slow down on my  
shopping. Still, I would never  
miss the first day of class! Is it  
really another year, already?

MUSA

Face it, you're getting older.

STELLA grabs her face as if there could be wrinkles.

STELLA

<<GASP>>

AISHA

As I'm sure you all know, Tritanus'  
war has devastated the Magical  
Dimension, so we need strong new  
fairies like you, more than ever.

BLOOM

That's why we're going to--

BLOOM's MOBILE rings. She takes it out, looks at it.

BLOOM (CONT'D)

Sorry, I have to take this!

BLOOM exits, STELLA pouts as if to say "Can you believe her?"

EXT. ALFEA COLLEGE - HALLWAY - DAY

BLOOM's MOBILE projects a hologram of SKY.

SKY (HOLOGRAM)

Bloom!

BLOOM

Sky! It's so good to see you.

SKY (HOLOGRAM)

Same here. Sorry to pull you out of class, but this is important.

INT. ERAKLYON - COUNCIL CHAMBER - DAY

SKY talks to a holographic BLOOM while KING ERENDOR stands at the COUNCIL TABLE, gesturing to pictures of ICY, STORMY, and DARCY on the wall behind him along with maps and diagrams.

BLOOM (HOLOGRAM)

It's always important when you call, Sky. What's up?

SKY

Father's become obsessed with bringing the Trix to justice. I was hoping you might have a clue as to where they might be hiding.

BLOOM (HOLOGRAM)

Hmm... I know Icy well enough that when we fight I can predict her every move, but as to where she might hide? Give me time to think.

SKY

Thanks, I can always count on you!

BLOOM (HOLOGRAM)

<<GIGGLE>> Anytime, Sky.

EXT. ALFEA COLLEGE - COURTYARD - DAY

CLOLO, her face in a MAP, bumps into VOICA, LINA, and BELLE.

VOICA

Watch where you're going, *Solarian*.

LINA

Hey, maybe she's late for a sale!

CLOLO  
I'm just looking for my dormitory.

BELLE  
Ha! You can't find your own room!?

VOICA  
Blondies are all the same. Move!

VOICA, LINA, and BELLE advance on her. CLOLO backs away.

CLOLO  
Okay. Please, wait. I'm sorry.

SNOWY steps in to shield CLOLO.

SNOWY  
Stay away from her!

VOICA  
Who's gonna make us? You?

SNOWY summons two balls of BLUE ENERGY on her fists.

VOICA (CONT'D)  
That's not so impressive.

SNOWY  
(whisper)  
Clolo, lend me some of your energy.

CLOLO  
How do I do that?

SNOWY  
Just put your hand on my shoulder.

CLOLO puts her hand on SNOWY'S shoulder and her YELLOW ENERGY courses down SNOWY'S arms, creating an ENERGY RING.

SNOWY (CONT'D)  
SERPENT BIND!

The ENERGY RING ensnares VOICA, LINA, and BELLE.

BELLE/LINA  
<<STRUGGLING GRUNTS>>

VOICA  
Let us go, you runt!

The ring levitates them in the air, flips them upside-down.

VOICA/LINA/BELLE  
<<SCREAMS>>

BLOOM (O.S.)  
That's enough!

The ring shatters. VOICA, LINA, and BELLE fall to the ground. Bloom crosses to them.

BLOOM (CONT'D)  
(to Snowy and Clolo)  
You are both in serious trouble.

INT. ALFEA COLLEGE - FARAGONDA'S OFFICE - SUNSET

CLOLO and SNOWY sit facing FARAGONDA, at her desk. BLOOM, AISHA, TECNA, FLORA, MUSA, and STELLA stand behind them.

FARAGONDA  
I never thought I would see dark magic like this from my own pupils.

STELLA  
I'm disappointed in you, Clolo. We Solarians always have to shine!

AISHA  
I appreciate that you are trying to grow stronger, but doing it at the expense of others is wrong.

BLOOM  
You see girls, there are witches and there are fairies. Witches go to Cloud Tower Academy across the lake for a reason.

TECNA  
Because witches are cruel!

MUSA  
And mean!

FLORA  
And they're totally not in-sync with nature.

STELLA  
You *don't* want to be like them.

FARAGONDA

But, maybe they do, Stella. At this formative stage the choice is still very much up to them.

FARAGONDA walks around her desk and gets on one knee, making direct eye-contact with CLOLO and SNOWY.

FARAGONDA (CONT'D)

So I need to ask you girls just once... Do you want to be a witch or a fairy?

CLOLO

Fairy, of course! I'm so sorry, I promise to never use dark magic again! I didn't even know I was.

STELLA

And you will be a great fairy with that attitude!

BLOOM

(to Snowy)  
What about you?

SNOWY

Er... What she said.

BLOOM

I've been watching you, Snowy.

SNOWY

You have?

BLOOM

Where did you get that eye-liner?

SNOWY

Um, Magix Mall?

BLOOM

Don't wear it anymore. If you want to act like a witch, go be a witch. Alfea is a college for FAIRIES.

FARAGONDA

That's enough, Bloom. I suggest you both find your bedchambers and think hard about what's been said.

SNOWY and CLOLO stand, walk towards the door.

FARAGONDA (CONT'D)

Oh, and this is your only warning.  
Any more dark magic and I'm afraid  
you will both have to be expelled.

CLOLO and SNOWY stop to nod, then exit.

FARAGONDA (CONT'D)

Thanks for helping with discipline,  
Winx. First days are never easy.

BLOOM

Actually, we stopped by for another  
reason, Headmistress.

INT. ALFEA - FRESHMEN DORMITORY - HALLWAY - NIGHT

GRISELDA leads CLOLO and SNOWY down the hallway.

GRISELDA

I certainly hope Faragonda knocked  
all this witch-nonsense out of you.

CLOLO

She sure did.

GRISELDA

Good, because since you and Snowy  
were the last to be assigned rooms,  
you have to live together.

GRISELDA opens a door to reveal their small DORM ROOM.

CLOLO

Oh, it's so... Cozy.

INT. ALFEA - FARAGONDA'S OFFICE - NIGHT

BLOOM, TECNA, AISHA, FLORA, MUSA, and STELLA face FARAGONDA.

BLOOM

The Trix have to be somewhere.

AISHA

But, the Council's searched all the  
planets of the Magic Dimension!

FLORA

There's nowhere for them to run!

FARAGONDA

That is exactly why I'm nervous.  
With all options closed, Icy must  
be quite desperate. She might even  
try returning to her home world.

STELLA

Icy has a home world!?

MUSA

Of course she does, Stella.

TECNA

Yeah, everyone was born somewhere!

FARAGONDA

Quite true, and Icy is from the  
forbidden world of Frostith.

BLOOM

But the Trix are sisters, so aren't  
Darcy and Stormy from there too?

FARAGONDA

The Trix call each other sisters  
because they are descendent from  
the three ancestral witches who  
destroyed your home world, Bloom.

FARAGONDA crosses to her window, stares out over the grounds.

FARAGONDA (BACK TO CAM) (CONT'D)

But in terms of blood-lines, each  
hails from their own evil  
dynasties, and the witches of  
Frostith are the worst ones of all.

TECNA projects a holographic STAR CHART from her MOBILE.

TECNA

But Ms. Faragonda, there's no  
reference to a planet called  
Frostith in any of my star charts!

FARAGONDA (BACK TO CAM)

That's because Frostith is not  
technically part of the Magical  
Dimension. It occupies a separate  
pocket of space which was long ago  
sealed off from ours with the aid  
of six magic Ice Stones.

FLORA

Ice Stones?

FARAGONDA turns, projects a hologram of the ICE STONES.

FARAGONDA

Yes, these relics can still create portals between our realms, but they were scattered across the cosmos once Frostith was sealed. Luckily, we happen to have one on display here in our Hall of Magic.

MUSA

Of course.

STELLA

Like, what isn't in that hall?

AISHA

But, the Trix have broken into Alfea dozens of times! Why didn't they just take it then?

FARAGONDA

Because Frostith is a cold, barren world that Icy most likely had no desire to return to, until now. Winx, I urge you to keep a close eye on our Ice Stone. I sense that a Trix plot is already under way.

BLOOM

You can count on us, Headmistress! I promise no witches are getting into Alfea without us noticing.

INT. ALFEA COLLEGE - CLOLO/SNOWY'S ROOM - NIGHT

CLOLO wakes to MUFFLED VOICES from the bathroom.

CLOLO

Snowy?

CLOLO peaks in the bathroom to see SNOWY talking into a CRYSTAL DISC containing the image of ICY, STORMY, and DARCY.

ICY (IN CRYSTAL)

How goes the mission, little sister? Learned anything yet about how to destroy those wretched Winx?

EXT. ANDROS - EYE OF A HURRICANE - DAY

ICY, STORMY, and DARCY hover in the eye of a HURRICANE. ICY talks into her own CRYSTAL DISC, which shows SNOWY.

SNOWY (IN CRYSTAL)  
I learned Stella likes to shop...

STORMY  
You brat, everyone knows that!

DARCY  
Just get the Ice Stone, already.  
This hurricane's ruining my hair.

SNOWY (IN CRYSTAL)  
I'm trying, it's just, I don't belong here. This was supposed to be my first day at Cloud Tower.

ICY  
You don't need school to be a witch! We'll teach you all you need to know, so long as you obey.

INT. ALFEA - CLOLO/SNOWY'S ROOM - BATHROOM - NIGHT

SNOWY sees CLOLO in the mirror and turns around.

SNOWY  
Clolo!?

CLOLO runs out. SNOWY drops the DISC and chases her.

INT. ALFEA COLLEGE - FRESHMEN DORMITORY - HALLWAY - NIGHT

SNOWY catches up to CLOLO, grabs her hand.

CLOLO  
Let go!

SNOWY  
Shh! Stop! What are you doing?

CLOLO  
I heard everything. Icy is your sister? You're a witch!?

SNOWY  
It's not what you think. I don't want to be a witch, anymore.  
(MORE)

SNOWY (CONT'D)

I want to be a fairy, like you.  
But, I'll never be able to if you  
tell.

CLOLO

You wanted to go to Cloud Tower!

SNOWY

I was lying. I had to, because  
Icy, my sister, would never  
understand! My whole family's  
witches, but I just want to be  
myself.

(crying)

You're the first real friend I've  
ever had. Please, help me.

CLOLO

Snowy... I didn't- I mean- Oh.

CLOLO hugs SNOWY, does not see her EVIL GRIN.

INT. ALFEA COLLEGE - HALL OF MAGIC - NIGHT

The ICE STONE sits on a pedestal in the center of the HALL OF  
MAGIC. BLOOM stands guard. STELLA approaches.

BLOOM

Hi Stella! Ready for your shift?

STELLA

Like, no! Guard duty's so boring!

BLOOM

I know, but we can't let the Ice  
Stone out of sight.

STELLA

Can't I just take it with me? I  
had a date with Brandon!

BLOOM

I don't think that'd be wise, but  
he could watch it with you.

STELLA

As if that would be any fun.

BLOOM exits, leaving the door ajar. STELLA pulls out her  
MOBILE, starts texting.

STELLA (CONT'D)

Although...

Just outside the doors, Clolo hides with Snowy.

CLOLO

Wait, I don't think I can do this!

SNOWY

Please, Colo, you have no idea what Icy will do to me if I fail. Come on, you said you were my friend!

CLOLO is very unsure but SNOWY pulls her in with her. STELLA looks up from her MOBILE as they approach.

STELLA

Hi girls! What are you doing here?

SNOWY

We heard you were on a special mission and wanted to help out! Right, Clolo?

CLOLO

(wracked with guilt)  
Um, yeah. Right.

STELLA

I guess so, but I don't see what's so special about guarding this stupid ice chunk while everyone else is off having fun!

SNOWY

I think it's pretty. Can I hold it?

STELLA

Sure, just don't drop it. It's like super valuable or whatever.

SNOWY picks up the ICE STONE and passes it to Clolo.

SNOWY

Wow. Look at how mysterious it is.

STELLA

I really love your hair, Clolo. It's as bright and bouncy as mine!

CLOLO

Thanks! I really love being your student.

STELLA

I'm so glad to hear that!

SNOWY

Me too, that's why I'm sorry I have  
to do this.

STELLA

Do what?

Snowy creates BLUE ENERGY in her hands.

SNOWY

FROZEN BLIZZARD!

Thousands of SNOWFLAKES fly from SNOWY and engulf STELLA.

SNOWY (CONT'D)

Run, Clolo!

CLOLO

I'm sorry, Ms. Stella!

SNOWY and CLOLO run, leaving STELLA looking like a snowman.

INT. ALFEA COLLEGE - HALLWAYS - DAY

CLOLO, holding the ICE STONE, runs with SNOWY down the hall.

CLOLO

Oh no! Oh no! What have we done?  
Now, I'll be expelled for sure and  
it's all your fault!

BLOOM sticks her head out of a CLASSROOM as they pass by.

BLOOM

Hey, what's the rush?

STELLA appears at the other end of the hall, covered in snow.

STELLA

Stop them, they have the Ice Stone!

EXT. ALFEA COLLEGE - COURTYARD - DAY

SNOWY and CLOLO run down the steps to the courtyard. FLORA,  
TECNA, and MUSA run out in front of them while BLOOM and  
AISHA block their escape. STELLA arrives last.

STELLA

Oh, I hate running in heels!

FLORA

You're surrounded, girls.

AISHA

Put the Ice Stone down!

BLOOM

I can't believe Alfea fairies would  
steal and lie! Why'd you do it?

The sky darkens as STORM CLOUDS gather.

ICY (O.S.)

Because, they're not fairies!

ICY, STORMY, and DARCY appear in the sky from a TORNADO and  
shatter the school's FORCE-FIELD as they descend.

MUSA

The Trix!

TECNA

They broke the barrier!

ICY, STORMY, and DARCY land between SNOWY and CLOLO.

ICY

These girls are witches like us!

STELLA

Witches in our own class? We'd  
have noticed that.

FLORA

You think we'll believe your lies?

ICY

<<LAUGH>> If you don't believe us,  
then believe your own eyes.

STORMY grabs the ICE STONE from CLOLO.

STORMY

Yeah, these girls stole the stone  
from right under your noses.

DARCY

Sounds pretty witchy to me.

CLOLO

Wait! I'm not a witch! I swear!

ICY

Actions speak louder than words,  
little witchling. Come, since  
there's no longer a place for you  
here, you can just leave with us.

BLOOM  
Nobody's leaving! Winx, SIRENIX!

INSERT: SIRENIX TRANSFORMATION SEQUENCE.

BLOOM, STELLA, AISHA, MUSA, TECNA, and FLORA fly into the sky. ICY, STORMY and DARCY fly up to match them.

ICY  
Ha! That's no match for our Dark Sirenix, especially since we're not underwater.

BLOOM  
I don't care what you say, Icy!  
We'll beat you just like always!

BLOOM shoots a fountain of FLAMES from her hands at ICY.

BLOOM (CONT'D)  
DRAGON FIRE!

ICY lazily summons an ICE SHIELD that blocks them.

ICY  
Aw, that the best you got?

FLORA fires a gust of PETALS and LEAVES.

FLORA  
AUTUMN WIND!

STORMY creates a TORNADO that turns the attack back on her.

STORMY  
<<EVIL LAUGH>> DARK TORNADO!

FLORA is knocked out by her own WIND and falls to the ground.  
MUSA creates two transparent SPEAKERS that shoot sound waves.

MUSA  
How about you try my STEREO CRASH!?

DARCY  
Well, that's annoying.

STORMY  
Let's silence that tune!

STORMY and DARCY create a BLACK SPHERE around themselves.

STORMY/DARCY  
DARK SHIELD!

The SOUND WAVES rebound on MUSA. She falls to the ground.

MUSA  
<<SCREAMS>>

TECNA and STELLA fly towards STORMY and DARCY.

TECNA  
Why you... Take this!

Tecna fires a BEAM of green 1's and 0's.

TECNA (CONT'D)  
DATA STREAM!

STELLA  
And this!

Stella fires a beam of SUNLIGHT from her hands.

STELLA (CONT'D)  
SOLAR FLARE!

ICY  
Oh, please.

ICY uses her ICE SHIELD to reflect the attacks back at them.

STELLA/TECNA  
<<IMPACT GRUNT>>

AISHA  
How are they winning? They have so much more power than before.

BLOOM  
I know, Aisha. That's why we'll have to use Winx convergence!

DARCY  
I hate it when they do that.

STORMY  
Even with our new strength, we'll never withstand all their attacks combined.

ICY  
As much as I hate agree, you two are right. It's time we made our grand exit. But, I just loathe the thought of seeing Mother again.

MUSA and FLORA fly back up to BLOOM.

MUSA

Ready when you are, Bloom!

BLOOM

Alright everyone: WINX CONVERGENCE!

BLOOM, STELLA, AISHA, MUSA, TECNA, and FLORA, combine their ENERGY STREAMS into a single glowing ENERGY BALL.

ICY, STORMY, and DARCY land on the ground and link hands around CLOLO and SNOWY. The Ice Stone GLOWS.

ICY

Too late, Winx. Now, I'm leaving and I'm taking my little sister and her witch-friend with me.

BLOOM

Your... *Little sister!*?

A PORTAL appears around ICY, STORMY, DARCY, SNOWY, and CLOLO.

BLOOM (CONT'D)

Don't let them get away!

BLOOM, STELLA, AISHA, MUSA, FLORA, and TECNA release the CONVERGENCE ENERGY and dive towards the portal as FARAGONDA and GRISELDA run down the stairs.

FARAGONDA

Wait! Do not enter the portal!

BLOOM, STELLA, AISHA, TECNA, MUSA, and FLORA fly into the PORTAL just before it disappears.

GRISELDA

Where did they go, Headmistress?

FARAGONDA

To a place where we cannot help them, Griselda. To a place from which they may never return.

END OF ACT ONE

ACT TWO

EXT. FROSTITH - SNOW-COVERED HILLS - NIGHT

BLOOM, STELLA, MUSA, TECNA, AISHA, and FLORA are in their original forms on a vast SNOWFIELD in a BLIZZARD. Behind them are jagged MOUNTAINS, before them a forest of PINES.

BLOOM  
So this is Icy's home world.

FLORA  
<<BRRR>> I'm freezing!

TECNA  
This is one fierce blizzard!

STELLA  
Then, this looks like a job for me!

STELLA transforms their clothes into WINTER WEATHER WEAR.

AISHA  
Thanks Stella!

FLORA  
It's so cozy!

MUSA  
I can't even feel the wind now!

STELLA  
Yep, pretty and practical. My designs can't be beat!

BLOOM  
Still, we have to find shelter.  
Let's head for those trees!

EXT. FROSTITH - FROZEN FOREST - NIGHT

BLOOM, STELLA, AISHA, MUSA, TECNA, and FLORA trudge through deep snow in the eerily silent forest.

MUSA  
This forest sure is creepy.

FLORA  
The trees all feel scared and sad.  
They won't talk to me!

AISHA

Is there even daylight here?

STELLA

I'd hate to live on a world with no sun!

TECNA

Or a world without technology!

STELLA

I'm worried about Clolo and Snowy.

MUSA

You are? But, they're witches!

AISHA

Yeah, and they betrayed us!

STELLA

True, but that doesn't necessarily mean they're witches... Does it?

BLOOM

Maybe not Clolo. Even the best of us can be seduced by darkness, but Snowy is Icy's own sister! She must carry the same evil inside.

STELLA

I don't know Bloom. Can you really judge someone just by their family?

FLORA

Look, a person!

A MALE FROSTIAN, hiding behind a TREE ,runs off.

BLOOM

Hey wait! We just want to talk!

BLOOM, STELLA, AISHA, TECNA, MUSA, and FLORA run after him.

EXT. FROSTITH - FROSTIAN VILLAGE - NIGHT

BLOOM, STELLA, AISHA, MUSA, TECNA, and FLORA emerge from the forest and into an IGLOO VILLAGE by the edge of a cliff. FROSTIANS going about their business suddenly stop and stare. They are blue-skinned humans in Eskimo-esq attire.

FROSTIANS

<<HUSHED MURMURING>>

BLOOM/STELLA/AISHA/FLORA/TECNA

<<GASP>>

MUSA

Look at them all!

The FROSTIAN from the woods huddles with his WIFE and DAUGHTER, trembling as if they are about to be attacked.

BLOOM

Don't be afraid, we come in peace!

B'TAK, the FROSTIAN from the woods, steps forward.

B'TAK

Hello. My name is B'tak. This is my wife Hotah and my daughter Nulo.

BLOOM

Nice to meet you. I'm Bloom, and this is Stella, Aisha, Musa, Flora, and Tecna, but you can call us the Winx! We're teachers at Alfea College for Fairies.

B'TAK

We are honored to meet you, "The Winx". You are the first off-worlders we've seen in generations.

BLOOM studies the blue eye-markings on B'TAK and the others.

BLOOM

What are those marks on your eyes?

B'TAK

A symbol of our clans. We wear them to honor our heritage.

BLOOM

Really? Wow, I feel kind of bad for what I said to Snowy now.

STELLA

Hey, how could you know? All this time we thought Icy was just wearing tacky make-up!

B'TAK

Did you say Icy!?

FROSTIANS

<<PANICKED MUTTERING>>

BLOOM

You know her? She's who we came here to find.

B'TAK

Unfortunately, we do. If she has indeed returned to Frostith, and let us pray she has not, she would most likely be with Queen Frozaria.

BLOOM

Queen Frozaria?

FROSTIANS

<<COLLECTIVE GASP>>

B'TAK

Shh! Yes. She is a brutal tyrant, taxing our village year after year. Nobody's opposed her and lived.

AISHA

That doesn't scare us!

TECNA

She just hasn't met the Winx yet!

MUSA

Yeah, we're undefeated too!

BLOOM

Tell us where to find her.

B'TAK

<<GULP>> Seated on her Evil Throne, inside Icicle Castle!

B'TAK points out to an sinister CASTLE on the horizon.

EXT. ICE FIELD - NIGHT

ICY, STORMY, and DARCY fly over an ICE FIELD towards ICICLE CASTLE, holding CLOLO and SNOWY between them.

ICY

Home sweet home.

DARCY

It's just as dismal as I expected.

STORMY

You really grew up here, Icy?

ICY

I spent fourteen miserable years on this ugly snowball before I finally escaped to Cloud Tower. Who'd of thought I'd come back like this: disgraced and running for my life. What is this world coming to?

EXT. ICICLE CASTLE - MAIN GATE - NIGHT

ICY, STORMY, and DARCY fly to the gate, drop CLOLO and SNOWY.

CLOLO/SNOWY

<<IMPACT GRUNTS>>

DARCY

Quit your complaining!

CLOLO

Please, I just want to go home!

STORMY

We said be quiet, you brat!

ICY

You're a Trix, now. Deal with it.

CLOLO

The Winx are coming to rescue me. I know they will!

STORMY

Not while we have this.

STORMY holds up the ICE STONE.

ICY

I'm proud of you, Snowy. Today you finally proved yourself to me.

SNOWY

Thanks, but even though I helped out, I don't think I'm ready to be part of the Trix. I just want to go back to school and learn about magic with girls my own age.

ICY

What!?! You insolent fool! You can learn way more from us than any of those so-called *teachers*. We're the most powerful witches of all time!

SNOWY  
(whisper)  
Except for Mom.

ICY struts up to the GATE, pounds on it.

ICY  
Open up! The Princess of Frostith  
has returned!

Two GREEN EYES appear in a tiny WINDOW SLIT.

FROZARIA (O.S.)  
As your Queen Mother, I reject you!

ICY  
Ugh. Hi, Mom. Answering your own  
door now?

FROZARIA (O.S.)  
Look at you, still so weak and  
pathetic. What an incredible  
disappointment to see you once  
again groveling at my doorstep.

ICY  
Could you just let us in already?

STORMY  
Yeah, it's cold out here!

FROZARIA (O.S.)  
Did you defeat Bloom yet?

ICY  
No, not yet.

FROZARIA (O.S.)  
Then NO! Have you forgotten what I  
told you? Until you defeat Bloom,  
you can never come home!

ICY  
I've been trying, alright? We've  
had hundreds of battles but every  
time she beats me.

FROZARIA (O.S.)  
That is because she has the Dragon  
Flame, the very power her ancestors  
stole from us a millennia ago!

(MORE)

FROZARIA (O.S.) (CONT'D)  
The people of Domino left our planet frozen and dead while they thrived off our flames, and then shut us off from the rest of the Magic Dimension to cover up what they did. Bloom must be destroyed to revive our planet and avenge our ancestors! Until you do that, you are no daughters of mine!

FROZARIA slams the WINDOW shut.

SNOWY  
That's exactly what she told me when she kicked me out.

ICY  
Then, you understand. For witches, all that matters is vengeance.

EXT. ICICLE CASTLE - SKY - NIGHT

BLOOM, STELLA, AISHA, TECNA, MUSA, and FLORA, in Believix form, fly overhead.

MUSA  
There it is, Icicle Castle!

FLORA  
It's hauntingly beautiful.

AISHA  
Looks dangerous to me.

STELLA  
Look, there's Clolo and Snowy!

BLOOM  
And the Trix.

EXT. ICICLE CASTLE - MAIN GATE - NIGHT

ICY, DARCY, STORMY, CLOLO, and SNOWY see them approach.

STORMY  
Winx, A'hoy!

DARCY  
Get ready to fight, girls.

ICY  
(to the gate)  
Hope you're watching, Mom!

BLOOM, STELLA, AISHA, TECNA, FLORA, and MUSA land facing ICY, DARCY, and STORMY, who shield CLOLO and SNOWY.

CLOLO  
Winx! I knew you'd come!

STORMY  
Quiet, you!

ICY  
Welcome to my home, Bloom.

BLOOM  
Give us back our students, Icy!

ICY  
Don't care for the grand tour?  
Fine, well I'm afraid I can't  
oblige. They're in the Trix now.

BLOOM  
(to Clolo and Snowy)  
Is this true, girls?

CLOLO  
No! I'm a fairy, not a witch!

STORMY slaps CLOLO's head.

STORMY  
Stop talking!

STELLA  
Keep your hands off her!

STELLA runs at STORMY, charging an attack. STORMY grabs CLOLO and uses her as a shield. STELLA stops just in time.

CLOLO  
<<SHRIEK>>

STELLA  
<<GASP>>

AISHA  
Using someone weaker than yourself  
as a shield? That's low even for  
you!

ICY

Hey, we're "evil" remember? But, if you don't want to get messy, let's just settle this now.

BLOOM

What are you talking about?

ICY

I can't run anymore! You chased me all the way back to my mother's door, but even that last hope has forsaken me. So, let's have one final battle, Bloom. Just you and me. One last battle, to finish it.

BLOOM

Icy, I've been waiting for you to say that! Of course I accept your challenge, and I will beat you!

FLORA

Wait! You don't have to do this.

TECNA

We're better as a team!

BLOOM

Just stay back, everyone. This is my fight, alone.

CLOLO

No, Bloom! Please don't fight! I never wanted any of this.

BLOOM

Sorry, but I have to. Icy and I have been through too much. I can't let her hurt anyone else.

SNOWY

This is a bad idea, sister. What if she *does* beat you?

ICY

Shut up, *Sister*. If you want to be useful, use what little charm you have to convince Mom to intervene. Otherwise, stay out of my way!

ICY and BLOOM fly into the sky. ICY shoot ICICLES at Bloom.

ICY (CONT'D)

ICICLE BARRAGE!

BLOOM raises an ENERGY FORCE-FIELD that breaks the ICICLES.

BLOOM  
DRAGON SHIELD!

ICY  
Save your energy, Bloom! You're in  
my realm now... FREEZING MIST!

The atmosphere around BLOOM freezes her in place. She struggles, stops, then makes a DETERMINED GLARE.

BLOOM  
DRAGON FORCE!

RED ENERGY melts the mist around BLOOM, then rushes at ICY.

ICY  
<<GASP>>

ICY flies away from the ENERGY, soaring around the CASTLE.

EXT. FROSTITH - ICE FIELD - NIGHT

ICY flies low and fast over the ICE, pursued BLOOM's DRAGON FORCE. She raises a ICE WALL that snuffs it out, then lands.

ICY  
<<HEAVY BREATHING>>

BLOOM lands confidently, facing her.

BLOOM  
It's over, Icy.

ICY  
<<LAUGH>> No, it's not over. In  
fact, I've finally got you...  
Right where I want you!

ICY raises her hands in the air, charging BLUE ENERGY.

ICY (CONT'D)  
ICICLE NIGHTMARE TERAFORM!

ICY slams her hands to the ground, and an ICE RAINFOREST grows up around them. Many ICE BEASTS converge on BLOOM.

BLOOM  
<<GASP>>

EXT. ICICLE CASTLE - MAIN GATE - NIGHT

TECNA, AISHA, MUSA, FLORA, and STELLA face DARCY and STORMY.

TECNA/AISHA

<<GROWLS>>

STORMY/DARCY

<<GRUNTS>>

NOISE from the battle echoes in the distance.

STELLA

This isn't right. We can't let  
Bloom take on Icy alone.

MUSA

I know, but until we get past these  
two, there's nothing we can do.

AISHA

And I don't need to remind you they  
have hostages.

SNOWY approaches the gate. CLOLO follows.

CLOLO

What are you doing?

SNOWY

Don't try to stop me. I have to do  
this for my sister.

CLOLO

But if you obey Icy again, in front  
of all the Winx, it will mean--

SNOWY

Yes, Clolo. I'm a witch. And I  
used you. I'm sorry, but witches  
and fairies just can't be friends.

The window re-opens. FROZARIA's eyes appear.

FROZARIA (O.S.)

Well said, daughter. I'm glad  
there's at least one witch in the  
family I can be somewhat proud of.

SNOWY

Mom, please help Icy! I'm begging  
you.

FROZARIA (O.S.)

Oh, Snowy, you have much to learn, yet. Very well, I shall have mercy on your sister should she lose, but I will not stop this fight! She must destroy Bloom! After all, she is the only one who can.

CLOLO

But why? If you're so powerful, why can't you do it?

FROZARIA (O.S.)

Silence! You'll never understand.

(softer)

Icy has to do it, because it's the only way she can redeem herself. Once she beats Bloom, we can be a family again. Not before.

EXT. FROSTITH - ICE FIELD - ICE RAINFOREST - NIGHT

ICE BEASTS attack BLOOM while ICE VINES constrict her ankles.

ICY

You're finished, Bloom!

BLOOM

Ha! If you think I'm afraid of your pathetic ice-jungle, then you don't know me at all!

BLOOM flies into the CANOPY, struggling against the VINES.

BLOOM (CONT'D)

<<EFFORT GRUNTS>>

BLOOM brakes free of the VINES, soars high into the sky.

ICY

Who's running now? There's nowhere you can go where I won't find you.

BLOOM smiles down at ICY.

BLOOM

I'm not running. DRAGON TORNADO!

BLOOM nose-dives towards ICY, spiraling into a fiery bullet.

ICY

<<GASP>>

BLOOM collides with ICY, breaks through the surface of the ice, propelling them both UNDERWATER.

INT. FROSTITH - OCEAN BELOW THE ICE FIELD - NIGHT

BLOOM and ICY face each other, surrounded by AURAS of air.

ICY  
Nice try, but I hardly felt that.

BLOOM  
Aren't you forgetting something?  
We're in the ocean now, and the  
ocean gives me strength!

ICY  
(realizing)  
No!

BLOOM  
Yes... SIRENIX!

INSERT: BLOOM SIRENIX TRANSFORMATION.

ICY  
No! How can you use Sirenix here?

BLOOM  
Because even this cold, sealed-off  
world is connected to the Infinite  
Ocean. And I am one with the  
Infinite Ocean!

Bloom charges an AURA of RED ENERGY around her.

BLOOM (CONT'D)  
DRAGON HEART!

RED ENERGY BEAMS fly from BLOOM, smack ICY over and over.

ICY  
<<REPEATED IMPACT GRUNTS>>

Finally, unconscious ICY sinks down to a CORAL REEF. BLOOM lands on her, raises a FIST and charges RED ENERGY, but hesitates, unsure if she should deliver the final blow.

FROZARIA (V.O.)  
ENOUGH!

A giant GREEN HAND comes down, grabs ICY and BLOOM.

EXT. FROSTITH - ICICLE CASTLE - MAIN GATE - NIGHT

FROZARIA, grown to 100 feet tall, stands outside her castle, her blue hair framing her seductive, evil green face.

She SHRINKS back to normal size as her elastic arm returns to her side, dropping BLOOM and ICY on the ground.

BLOOM  
<<IMPACT GRUNT>>

MUSA/TECNA/FLORA/AISHA  
Bloom!

STELLA  
Are you alright?

BLOOM stands up. DARCY, STORMY, and SNOWY rush to ICY.

BLOOM  
I think so.

MUSA  
Good, but, who is that?

FROZARIA  
I am Queen Frozaria, ruler of this world and mother to Icy and Snowy!

BLOOM  
I don't care who you are, you interrupted our fight!

FROZARIA bends down over ICY and checks her pulse.

FROZARIA  
As much as I'd like to, I'm afraid I can't destroy you today, Thief of Domino. My daughter needs me.

BLOOM  
What did you call me?

FROZARIA  
Don't play dumb! You know what your ancestors did. They stole the Dragon Flame from Frostith, turning our once-beautiful planet into the frozen waste it is today!

BLOOM  
That's a lie! My people would never-

FROZARIA

Why don't you go ask your father  
just what your people would and  
wouldn't do! Now, leave us!

FROZARIA pulls the ICE STONE from STORMY's belt.

STORMY

Hey!

CLOLO

Wait! We can't go without Snowy.

SNOWY

What?

CLOLO

Snowy, please. I think... I do  
understand, now. Of course you  
love your family, but that doesn't  
mean you have to be a witch!

FROZARIA

What nonsense is this? No fairies  
could be daughters of mine! Now  
all of you just GO!

FROZARIA throws the ICE STONE to the ground. A PORTAL  
appears, sucking in AISHA, TECNA, MUSA, FLORA, and STELLA.

AISHA/TECNA/MUSA/FLORA/STELLA

Whoa!

BLOOM strains to not be sucked in. CLOLO is out of range.

BLOOM

Come on, Clolo!

CLOLO

Snowy, come with us, please! I  
don't care what you are. All that  
matters is you're my friend.

SNOWY looks to FROZARIA and ICY. ICY's eyes open slightly.

ICY

(weak)

Don't you do it.

FROZARIA

We are your family!

SNOWY

I know, and I love both of you.  
But, I have to live my own life.

SNOWY hugs ICY.

SNOWY (CONT'D)

I'll see you again, Sister.

SNOWY runs to CLOLO. FROZARIA shoots blue ENERGY BALLS them.

FROZARIA

No!

SNOWY takes CLOLO's hand, they both leap into BLOOM'S arms.  
They are all sucked in just before the portal vanishes.

The ENERGY BALLS harmlessly impact the ground. FROZARIA  
falls to her knees and raises her fists.

FROZARIA (CONT'D)

NO!

INT. ALFEA COLLEGE - CLASSROOM - DAY - SEVERAL DAYS LATER

CLOLO and SNOWY sit next to each other, happily chatting with  
other FRESHMEN FAIRIES. VOICA, LINA, and BELLE approach.

LINA

We heard about what happened.

BELLE

Yeah, we just wanted to say...

VOICA

We're sorry about picking on you  
earlier. And, we have decided you  
two are actually pretty cool.

SNOWY and CLOLO look at each other, SMILE.

INT. ALFEA COLLEGE - HALLWAY - DAY

BLOOM, STELLA, TECNA, FLORA, MUSA, AISHA, FARAGONDA, and  
GRISELDA watch CLOLO and SNOWY from outside the door.

FARAGONDA

Looks like they're fitting in just  
fine.

BLOOM

I guess that just goes to show that magic itself isn't good or evil. What matters is the heart of the person using the magic.

MUSA

I can't believe Snowy chose us.

FLORA

That took a lot of strength.

TECNA

She might never see her home again!

AISHA

Even though she chose good over evil this time, I wonder if her witch side is really gone for good?

STELLA

I think so, because Clolo believes in her, and so long as you have a best friend, you'll always be okay. Just look at me, I've got five!

BLOOM/AISHA/MUSA/FLORA/TECNA

Aww!

BLOOM, AISHA, MUSA, TECNA, and FLORA embrace STELLA.

STELLA/BLOOM/AISHA/MUSA/FLORA/TECNA

<<GIGGLING>>

As the group-hug breaks up, BLOOM looks distracted.

STELLA

What's the matter, Bloom?

BLOOM

I was just thinking about what Frozaria said. Could it be true?

STELLA

I don't know, but if any fairy is going to find out, it's you, Bloom.

FARAGONDA

Indeed, it looks like your next adventure is only just beginning.

BLOOM looks up with a determined SMILE.

EXT. FROSTITH - ICICLE CASTLE - MAIN GATE - NIGHT

ICY pounds on the castle GATE.

ICY

Open up, mother! I know you're in there!

DARCY

Just forget it, Icy.

STORMY

She'll never talk to you again until you defeat Bloom.

DARCY

Plus, I'm pretty sure she blames you for letting Snowy slip away.

ICY

I was in no condition to stop that!

STORMY

So what? We're your real family, and together we're still the strongest witches in the universe!

DARCY

It's just too bad that now our universe is nothing beyond this miserable planet, since we're trapped here.

ICY floats into the air as an EVIL AURA surrounds her.

ICY

Don't despair, sisters. I know we'll find a way out of here, and then we'll blast those Winx to oblivion!

ICY/STORMY/DARCY
